

The inspirational setting of the Center makes it an exceptional place for parties, events, and meetings. Available for small or larger groups (120 people maximum), it regularly receives high praise.

Audio-visual equipment, chairs, tables, and kitchen are available at no extra charge. The kitchen is fully stocked, including water pitchers and glasses.

Government agencies and 501(c)3 organizations qualify for substantial rate discounts.

Operated by Seattle Public Utilities, this award winning facility is a model of sustainability designed by Jones and Jones Architects.

Come see for yourself!

It's closer than you think.

The Cedar River Municipal Watershed is the primary source of clean, reliable tap water for the Seattle area. This hidden gem is closed to unsupervised public access, but through guided tours, exhibits and events, you can discover the story behind the scenery.

AUDITORIUM Windows and large sliding glass doors open to the Heritage Courtyard, connecting you to the beauty outside. The tall ceiling and unique architecture create a comfortable atmosphere appropriate for diverse events such as wedding receptions, retreats, and seminars. It seats 65 – 80 people at tables. It has a kitchen. The room is 28' x 40'.

LOON AND LICHEN LABS This dividable space is used primarily for education programs, small workshops, and as part of larger events. Each lab can be used separately or as one large room. Movable tables and chairs, a white board, phone access and a screen make this space very versatile. They seat approximately 30 people combined. The room is 32' x 12'.

FRIENDS MEETING ROOM This bright and open space is perfect for small meetings, break-out sessions, or a wedding changing room. Surrounded by tall windows, the light shines in and offers views of the landscaped grounds. It seats 8 - 10 people. The room is 18' x 12'.

HERITAGE COURTYARD Between the Auditorium and Learning Labs is the open-air courtyard with spectacular views of Rattlesnake Ledge. Look closely and find historic pipes and interesting rockwork seamlessly incorporated into the setting. *Only available for use with other rental spaces.* The space is 30' x 80'.
